Dear Residents,

This letter is to inform you and your family that on Tuesday, October 23, 2007, Liberty Mutual's video production crew will be in your neighborhood on the corner of Brucewood East Road and Sandalwood Road.

During daytime hours our crew will be videotaping a safe driving video for Liberty Mutual's corporate website. The Acton Police Department has given us permission to conduct videotaping at this town location.

The back-up inclement weather date is Wednesday, October 24, 2007.

We thank you, in advance, for your patience and regret any inconvenience this may cause you.

Sincerely,

Glenn Greenberg
